King of Prussia, PA 19406

I am a passionate and creative Bible teacher with over twenty years of church ministry experience. I actively seek ways to most faithfully and most effectively communicate God's word to today's young people and adults. Most of my experience has been in church youth ministry, but I am looking to move into a more formal teaching role in a school, ministry, or church.

EDUCATION

Bachelor of Arts in Youth Ministry

*Eastern University
2000*

In progress:

Master of Arts in Biblical Studies

Gordon-Conwell Theological Seminary
